Mastering Portrait Editing in Lightroom:
Sunday 2:00 - 2:45 PM Panel Room 1 -
Great portraits don't end with the shutter click—they come to life in the edit. Join professional photographer Michael Owens for a live, interactive walkthrough of portrait editing in Adobe Lightroom. This panel will take you from basic adjustments to polished, publication-worthy edits using real models on stage and live RAW images.

You'll learn how to:

- Develop a fast, consistent editing workflow
- Enhance skin tones and textures without over-retouching
- Use color grading and lighting adjustments to set the mood
- Apply masks, gradients, and local edits for dramatic results
- Create and save your own presets for future shoots

This panel is designed for photographers who want to improve their post-processing skills and bring out the best in their portraits, whether you're editing client work, creative projects, or building a personal brand.

Skill Level: Beginner to Intermediate Lightroom users
Bonus: Free downloadable presets and a portrait editing cheat sheet for all attendees

Mini Costume Makers:
Sunday 12:00 - 12:45 PM Panel Room 1 -
Mini costume alert. Each team or person will be able to make their own costume for a miniature that a panel of judges will then judge. There will be prizes and fun chaos! Hope to see you there!
